## MAAD commissioner Report on 2010 NDBO Tournament

Paige Thompson-Matzker, MAAD Commissioner

The 2<sup>nd</sup> annual NDBO Basketball Tournament happened during April 21 - 24, 2010 in Greensboro, North Carolina. There was a meeting on Wednesday with other meetings such as Coaches' meeting and wrap up Meeting. I attended the Wednesday meetings only due to work obligations.

Several issues were discussed during the Board meeting which included website issues, regional report and issues, conflict of positions where regional officers not to be officers of other organizations, and small issues.

A total of 11 men and 3 men participated in the tournament. CAAD are Men Champion while CAAD are women Champion. All teams did well through the tournament, according to reports. There were no MAAD teams participating in the tournament.

Tentative that NDBO chooses to host in MAAD region in 2014.
